Curley Park Rangers FC - Online Registration Process

With effect the 2018/19 season the club has introduced a new online registration process. The link below will take you to the new system.

Registrations & code of conduct forms will no longer be available in a paper format, you will be required to register online.

<http://www.sportsreg.co.uk/curleyparkrangersfootballclubmembership>

We have moved to this new process to reduce the workload in administration of the club and also to ensure that we remain compliant with the recently amended data protection regulations. The system requires you to provide and complete all of the personal details to register players with the FA including details previously captured on the paper forms. A **mandatory** part of the process to view & confirm your agreement to our codes of conduct and club registration terms. You cannot complete the registration process unless you do so.

All subscription payments will be processed through the new system to the club bank account. In the 'Reference' box please ensure you include the reference 'Player Name and the coming season's Age Group' e.g. Fred Bloggs U15. If you register siblings each one has its own reference.

Sibling Discount is available on the system. If you are registering more than one player then you can enter the word 'Sibling' in the Promotional Code box which will apply a £10 discount for the additional player. You will need to do this for each player you register after the first one.

Paul Davies
Secretary Curley Park Rangers
