

CURLEY PARK RANGERS FC

Curley Park Rangers FC - Online Registration Process

All registrations must be processed through the CPR online registration system. Forms will not be available in paper format.

In order that we can control registrations, the link to the online registration system will not be available on the website.

If you are interested in joining, please contact Paul Davies (the club secretary) on secretary@cprfc.org.uk or the appropriate age group coordinator. Their details can be found in the teams section on the website.

The system requires you to provide and complete all of the personal details required to register players with the FA along with a recent photograph. You cannot be registered to play for a team in the leagues until you do so.

All subscription payments will be processed through the system to the club bank account. In the 'Reference' box please ensure you include the reference 'Player Name and the coming season's Age Group' e.g. Fred Bloggs U15.

Sibling Discount is available on the system. If you register siblings, enter them separately, each one has its own reference. Enter into the discount box the code "Sibling01" for the first sibling, "Sibling02" etc for subsequent children. Your subscription amount will be automatically adjusted.
