

CURLEY PARK RANGERS FC

Welcome to new members

Welcome to Curley Park Rangers. We have teams from age 5 to under 18, hopefully your stay with us will be a long & enjoyable one.. To provide you with a brief introduction to the club I have highlighted below some key contacts & links to our various systems. You will have many other questions, please do not hesitate to talk to any of the key club contacts below or your team manager, we are all more than happy to support you.

Club philosophy - Curley Park Rangers mission is to be the focus of football for boys and girls from 5 years to 18 within the local community. We do so by providing a friendly & open atmosphere in which good sportsmanship combined with competitive play is encouraged. Everyone is welcome to play & watch football in the spirit of the game.

Club Organisation chart <http://cprfc.org.uk/whos-who/>

Club History - The club history is also held on the club website

cprfc.org.uk/wp-content/uploads/2016/07/CPR-HISTORY.pdf

Useful Club Documents - can all be found on the club's website <http://cprfc.org.uk/downloads/>

Membership Handbook (this will give you a detailed overview of how the club is run); Code of Conduct; Club Policies; Ground Details; plus more.

Charter Standard Club We are an FA Charter Standard Development Club. This is the kitemark used by the FA to recognise that clubs are run efficiently, ensuring that the children develop their football in a safe environment.

A requirement of our charter standard status is that all adults helping to run a team must be DBS verified, furthermore every team must have a coach who has obtained the FA's level 1 coaching certificate. Additionally the club encourages as many helpers to attend the FA's training courses on first aid & safeguarding children, we run courses at our clubhouse in Bagshot on a regular basis.

Everybody involved in the running of the club is a volunteer. The club is run by the key contacts noted above, but there are numerous opportunities to support your child's team, you will never regret getting involved. If you are interested in helping in any way, please talk with the club secretary or your team manager.

Respect Curley Park Rangers fully supports the FA's Respect Code of Conduct. There are specific codes of conduct for club officials, for players & for spectators / parents. Copies of the codes are held on the club website, [<http://cprfc.org.uk/downloads/>] you will be required to confirm that you have viewed the code of conduct when you register with the club.

Sponsorship From your annual subscription the club will fund the cost of matches & training, plus the provision of all kit & equipment. There are opportunities for you to sponsor your child's team, this usually involves purchasing the team's kit with your company name displayed on it.

First Aid Our first aid officer is Sharron Simpkins. She is also the manager of the canteen & can be found there on most Saturday mornings if needed.

There must be at least one adult who has attended a FA first aid course present at every match or training session. We encourage teams to have more if they can. The club run regular courses at our clubhouse open to everybody, not just coaches. We also have a defibrillator permanently located in the clubhouse.

Club Shop The club provides all match day kit & training equipment. We also have a club shop where in conjunction with our kit supplier Pendle you can purchase a range of training gear, equipment and other accessories, all available to buy online and have delivered to your door. Many items have the option to be personalised with your child's initials, which can be added at the checkout. The club shop can be found on our website <http://cprfc.org.uk/club-shop/>
